

Lake & Pond

Super Clarifier

- **Reduces murky and muddy water**
- **Ties up suspended soil particles**
- **Improves water clarity**
- **Safe for fish, plants and animals**

Contents:
**1 Gal. of
Clarifier**

Our clarifier works as a flocculant to tie up suspended soil particles in the water column giving you clearer, cleaner water.

This product works great with OWS pond dye and bacteria packets.
